Greg Fox - President

Shipment Verification System

- Verifies that the product you ship matches your sales order.
- Tracks your item by Serial Number and/or Lot Number

PT630

Portable Data Collection Terminal

- Inventory scanning system for use with the Unitech PT630
- Menu driven handheld scanning system
- Tracks products by SN# / Lot number and then links them back to your sales order
- Scans product UPC's, serial numbers, and quantities
- Handles product individually or in case quantities
- UPC lookup table displays product description on handheld screen
- Remembers total quantity scanned for each item and records subtotals with each scan
- Scanned data can be manipulated and analyzed using Microsoft Excel

Call us today to schedule a demonstration **714-528-SCAN.**

DeltaOne Software is a full service integrator.

We implement, integrate, and support barcoding and image based data capture technology. This includes scanning and printing hardware, related accessories, and the software integration required to run the application. Our knowledgeable staff works with you to provide a solution that is just right for your application.

DeltaOne Software specializes in system integration.

Our goal is to make your job simpler and easier, building your system
from **“Concept to Completion”**

DeltaOne Software, estb. 1984, is a California based corporation, specializing in automated data collection and barcoding solutions for end users and resellers.
